

# Upcycling Craft

## AQIUM VASE TRIO

### WHAT YOU'LL NEED

- 3 x Aqium 375ml Bottles (or as many as you have)
- Rope/Ribbon of your choice
- Hot Glue Gun
- Sanding Paper

### INSTRUCTIONS

1. Remove label from products
2. Cut the tops off each bottle at the same height.
3. Wash the bottles with cold water and dry.
4. Sand the edges to smooth any sharp/rough spots.
5. Using the hot glue gun, stick the front of the bottles together.
6. Wrap the ribbon/rope around the 'vase' and decorate to your liking.
7. Use the Aqium Vase Trio for fresh or plastic flowers.

Ego considers the safety of children a top priority. Adult supervision and assistance is required for any of the listed arts and crafts projects. Observe children closely and intervene as necessary to ensure safe and successful experiences.
